Dear Abe:

Why didnt you give me a ring when you were in the east? I would like to have talked to you.

The thing I am writing you about now is the fact that I see you are comming east in June, and I want to get you to play a night in Newark. There is no doubt the western teams are drawing cards here. We are drawing very nicely in Newark, and the nights are worth while. We gave Kansas City \$1500.00 last year for a night, and I did not mention Satchells name. In fact I made it known he would not pitch. I understand you are in the Polo Grounds June 21st and 24th. Could you come here the 19th or 20th, or after the 24th. Let me know right away as I am have to make a change.

We had 8511 last Sunday, and it was an awful day. We expected and would have had 15000 with a nice day.

Please let me hear from you right away.

Very Truly Yours
